GREAT BATTLE ON

FROM ST. PAUL.

Fr. Patri, Sept. 19, Inco.
Active preparations are Joing on to collect the Tib, 9th and 10th regiments, at Fort Smalling, with a view of sending them South. I will take until the let of October to get them is readiness, as they are scattered all giver in Bials, and many of them furboughed.

A party of laborers arrived here last evening, from Canada, to work on the Minneapolis & Ocdar Valley Enliroad.

FROM NORTH CAROLINA.

column, meer were grand and Herros.

The gunboat Cliffon, while passing through Shine Pass, was exposed to a raking fire, which reduced her to a total wreck, killing or wounding all on beard. The gunboat Sachem, which was in company with the Cliffon, was captured.

THE WAR IN VIRGINIA. Wassersores, Sept. 19.—A special dispatch to the N. Y. Breesley Just says: All the Richmond papers of the 16th and 17th, received here, mention that Lee's army has been in line of hattle for some days, between the Rapidan and Orange Court House, but seem to intimate that it will remain on the definate. This would seem to indicate that Lee is not strong, and it is looked upon as confrontery of the report that troops have been sent south from Virginis.

Another special to the Just, dated the 19th, says the railroad north of Washington, which was washed away, has been repaired.

New York, Sept. 18.—A special to the New York, Tribuse says: The Lower Potoma is theroughly cleared of robels.

Thirty or forty mounted usen were seen opposite Maryland Polat resterday, and here is information leading to the belief that the captors of the Satallite and Reliance are in Come River, with boats, swalling an opportunity to capture the guard boat at Fine

SCHEDER RUSSIANS AND REPUGED IN THE STATE.

STATE.

I have letters from various countles in the central and southern parts of the finite, to the effect that a large number of Border Rudhan, bushwhackers, and refugees, from the Border States, are flocking into this. The late order of Gen. Ewing has driven a large number from Missouri, A mass maned Warfield from Missouri, for instance, is in Morgan county. "A in made \$10,000 bonds for his good behaviour. Another of these secession sympathizes in Morgan, from Missouri, is named blok Noise. But the vest majority of them are follows. 2- have had to 8 for their lives on secount of them the following the instance of the contractions are follows. The contractions upon Union men. Such characters 2- no good in this state. On the other hand, they are desperate and resultance in the characters and resultance to the laws, etc., of inte no common in the State.

io the laws, dec., of late so common in the State.

Appear County aryahas.

Three firloughed soldiers, one of them lame, were in a grocery, in Kaassa, in the shove county, one day last week, when a man maned Burton made the declaration that a soldier was no better than a nigeor. Of course Burton was a Copperhead. After this sasertion Burton and his brother setrested to another grocery, into which the soldiers followed them for an explanation. A row anated which ended in thich the soldiers followed them for an explanation. A row anated which ended in the Copperheads goding cleaned ont. More Copperheads, however, came to their aid, and again more Opperheads god elements of the fighting of the soldiers for the Spiriting for this set eight soldiers were arrested and taken before Justice Fonis at Paris. Their masses were Edward Palacel, John Shy, W. H. Brown, Elihu Pülnell, Henry Brown, Edward Dowden, Cyrus Stott, and Liout. F. P. Boyer. From Youts they took a change of years of the significance of the soldiers of 1800 each, on a Charge of rick. During the camination of the soldiers, a large cowed of butternuis were in lown matching the result; flourishing revolvers and hurraling for Yalandingham.

They evidently seemed anxious to bring on.

inclinated in the control of the con

g sith ager informed ager in the open the open in the

wo better—the former; "Woodland Duke," was purchased in Bourbon Co, Ky, last December, and weighs 3,300 pounds. The Brothers, of Dubuque county exhibit a hard of two buils, and twenty cows and calves. The buils Furfice loss and Rupseor, are thoroughbrod, as, indeed, it all their stack present. Perfection weights 2,500 pounds, it is years old, the other weights 2,500 pounds, it is years old, the other weights 2,500 pounds, it is years old, the other weights 2,500 pounds, it is public, and Shredick Green, of Jone county, nontier Ducham buil—all time stock.

Of the Derons, C. D. Bent, of Jown City, exhibited the largest collection, being all thoroughbreds. L. D. Randall & On, of Dubuque county, said Dr. Barklin, of dackson

on work oxes, and J. McDonough of Da-buque county, 23.

Erhibition small, but stock generally first-class. Promisent among the fast horses are A. W. Richmann's matched Morgans and Dr. Porter's aorrals, both of Dabugus; Polly Townsend, of Rhullsburgh, Wis.; Abe Lincoln, of Platterille, Wis. Jack Clayton, of Dubuque; Tem Hyer, of Sabula; Pes Vine, et Many-leviat, May Day, of Sabula; and Young Ecilpas, of Butler county.

Of four-text-old stallions, Tem. Hyer, owned by J. Simwon, takes the premium for speed, and Pes Vine, by Geo. Lamyson, of Many-okota, is second best. Joung Ecilpas, by S. Rice, of Butler county, and Morgan, by P. D. Gardner, of Fayetta county, wure all in the ring yesterday—all good slock.

Of brood marsa, but three searches were made: D. J. Seeley, Etk. Grove, Wis. David Rodgers, Cascade, lows; and J. O. Noal, of Pcoala, lows—the latter taking the first premium.

Peosls, lows—the latter taking the first premium.

Of three year old fillies, Z. Livermore, of
Maquoketa, and H. Sharman, of Waterloo,
were the only exhibitors—the former bearing
off the premiums.

For two year olds, Edw. Barton, of Breekdale, took the first, and Jos Smotgram, of
Persts, the account premium.

Four cone-year-old fillies were exhibited by
J. M. Hugdas, of Dubuque; John Paul, of
Persts, W. W. Ireland and W. M. Crowley,
of Dubuque; and David Regam, of Oscoule—
the former taking the first, the latter the secund premium.

N. Ginstead, of New Harfford, exhibits a
line span of rossisters. John Carroll, of Delaware county, seek the first premium for
road-fir in single harman.

Most four. Ill take that ship-pusses. He described his of the extra candy it outle have brought him.
Our party has been somewhat broken up, everal of the excursionists going on to the sativate. Quite a procession of us, however, adjourned after breakfast, yesterday, to cont island, beginning our irst lesson in alls of the bridge. What a wonderful plans his catamate is for extracting quarters from in superting traveleys! A quarter of each ridge, and sattresses, and unneum, and forry, and vater prison, and camera obscurs; a quarter for looking up or down, or takenay. The best mode for fourists is to keep the hand A! Of quarters, that one may be also therefor a every few minutes by the officials without disturbing the reverses. But has where is the, we minch to see as of Minutes or the ridge of the rapid, the tremandous energy of the officials without the substantial parts of the rapid, the tremandous energy of the bulleyer as they flux themselves along the days above the bridge; Yes if you are extra Ghicagooa, reliabing waterers is full of sower. THE CITY. BUTO THIN LEAGUE. BYAT

collection—the most pleasing of all the femals peer traits—and it is very carefully and conscientionally and conscientionally and conscientionally are conscientified. It is presently and conscientionally are trained by the present of successful progression, on Membry tion. It is no newtral, and strongly marked with character. The painting is exquisitely done, and is full of a rare and innincess beauty. They or that of this leave sister, although good, is not as all comparable to fitte as a work of art. There is a few properties of the leave sister, although good, is not as a local made manufact, as which adopted formance. These remarks apply also, and capably, to the head of July. Frawed, and there is a portal second from the front, on the second front the form of the second front the form of the second front the form of the second front the second front the form of the second front the form of the second front the second front these colors and choose of the second front these of the second front these of the second front these of the second front these of the second front the second f instruction.

The funniest advertisor we have is Ray Mas, the photograph man. Take this specimen, which is one of his last:

"The more I looked I wondered more, and while I essayed it o'er and o'er.

A moment gave me to ong.

A trouble in her strong Bine sys.

If her cartes de visites had been taken si Brestit's Art Gallery, 101 Lake street, "Andward home been no trouble in her eye.

That is good enough to provoke a hearty longhton. The Potagon Course. "Vesteriay. Marrarest THE POLICE COURT.—Yosterlay, Margaret De Poe, accused of petty thiovers, was held over till Menday for further examination. In the efterheon, as attempt to prove the scap and cantile establishment of James S. Kirk & Co. Some filters or freezy licensed figure dealers were up for opening their doors on the Sabbath and dismissed upon the payment of costs and a promise to be more careful in future.
